MAG CONTINUUM OF CARE (CoC) BOARD
TENTATIVE AGENDA
May 16, 2016

COMMITTEE ACTION REQUESTED

1. Call to Order

2. Call to the Audience

An opportunity will be provided to members of the public to address the Continuum of Care (CoC) Board on items not scheduled on the agenda that fall under the jurisdiction of MAG, or on items on the agenda for discussion but not for action. Citizens will be requested not to exceed a three minute time period for their comments. A total of 15 minutes will be provided for the Call to the Audience agenda item, unless CoC Board requests an exception to this limit. Please note that those wishing to comment on agenda items posted for action will be provided the opportunity at the time the item is heard.

3. Tier 2 Funding Announcement

On May 2, 2016, the Tier 2 funding awards were announced by the U.S. Department of Housing and Urban Development (HUD). While there was an overall funding increase to the region of \$505,718 in new project funding, the increased funding was tempered by the decision by HUD to discontinue funding many of our Transitional Housing (TH) projects. HUD's decision resulted in a loss of \$2,578,667 in six TH projects and one Permanent Supportive Housing (PSH) project. This raises concerns in the community for those particular projects and the overall impact on our homeless services. Staff will provide an overview of the funding announcement and the steps taken so far to work through challenges with projects that were not funded. Members will have an opportunity to discuss the impact of the funding announcement and take possible action to develop a community response and next steps.
